Access to Sebago Lake is a huge part of a Point Sebago vacation, so we've made sure to provide you with as many boating options as possible. You don't have to own a boat to enjoy time on the lake. Stop by the Moose Landing Marina office at Point Sebago and we'll help you get out on the water.

If you'd like to power your own lake exploration, you can rent a canoe, kayak, paddleboat, or stand up paddleboard and enjoy the relative calm of the sheltered cove.

If the speed and range of a power boat is more your style, try a fishing boat, pontoon, or bowrider for your family tour across the miles of pristine waters.

If you have your own boat, bring it along. You can use our boat launch ramp and rent a powered slip.

Kids Day Camps

At Point Sebago,

we want to make sure your kids make memories that will last a lifetime. That's why we created the Chippy Camp (ages 3-6) and Discovery Camp (ages 6-9) programs. These two camps provide your children with hours of entertainment as they stay active throughout the day and make new friends.

Counselors lead kids from one activity to the next while they play games, make crafts and explore the wonderful nature of Point Sebago. We even feature Superhero Day (Wednesday) and Pirate Day (Thursday), which are wilder and more exciting with special guest visitors and themed activities!

Kids Evening Camp Program

When parents

are looking for a night of entertainment together at the Sebago Lounge, Sunset Lounge, Tiki Bar or just around their campfire, their kids (3-9) can be having a blast at Chippy's Playhouse.

Children enjoy being with the Activities Counselors in the Playhouse, watching movies and playing games while parents take a few hours to enjoy their vacation together. To make this easy, the Playhouse Program is specially designed to mirror the same hours of the adult entertainment occurring that night.

Please keep in mind that parents should remain on Point Sebago's property at all times while their children are signed up for Chippy Camp, Discovery Camp or while in Chippy's Playhouse. For more information, or to sign your child up for any of these programs, visit Guest Hub.

Free!

Day Camps

These camps are popular and fill up quickly each week, so don't wait!

You can sign your kids up for camp each day, or in advance at Guest Hub on Sebago Square. Parents should pre-register their kids for the morning (9am-noon) and afternoon (1pm-4pm) camps.

Children can be signed in for the morning and/or afternoon camps, but should be picked up by a parent for lunch at noon each day. If you didn't make it to sign ups on time, no problem. You can still check with Guest Hub to see if a camp is taking any more kids during that session. If you know where the camp for your child's age already is, then you can sign in directly with the counselor if there is still room. Trust us, your kids are going to love it!

"I WON IT!" T-SHIRTS

The "I Won It!" T-Shirt has been a coveted prize at Point Sebago for decades. Each year features a uniquely designed shirt which you can only get by winning T-Shirt events. So start training now to give yourself that competitive edge and try to join the prestigious tradition of the "I Won It!" T-Shirt.

TOURNEY RULES

Point Sebago is a pretty competitive place. In order to keep everything fair, we make sure that all of our tournaments adhere to a strict set of rules. If you'd like a copy of the rule sheet, you can get one at the Guest Hub in Sebago Square.

Point Sebago produces top quality, Broadway-style shows for families and adults alike.

In 2019, our productions will include Madagascar - A Musical Adventure, Mamma Mia! The Musical, and Grease.

In addition to some local cast members, many of our talented entertainment staff come from all over the country. These young adults are chosen from over 1,000 auditioners attending Summerstock Theater auditions in Boston & New York City. If you're lucky enough to make it on a team, you'll have a private coaching session the next day before going into the battle rounds on Tuesday night.

COVE GAME NIGHT

The name may have changed (previously Adult Novelty Game Night) but this adults-only (21+) event is still a highlight of the week. Be ready to play hard, or just relax with a drink and watch your friends make fools of themselves. You'll leave having laughed so hard that your sides hurt. Not even the staff know how this night's going to work out. All the games and chaos are based on you – the audience.
